

The purpose of the Child Care Assistance Program (“Program”) is to provide assistance for eligible partners with qualifying Child Care for verified dependents, up to age 13.

Schreiber will pay 50%, up-to \$1,000, of qualifying Child Care services each month per eligible partner/household with an annual limit of \$5,000. Charges for registration, late fees or other one-time expenses are excluded from the Program.

Eligibility

Eligible partners must be employed by Schreiber to participate in the Program. Partners annual salary must be below \$100,000 or their hourly rate must be less than \$48.08 to be eligible. To receive assistance for Child Care payments through Schreiber, your enrollment must be processed through TOOTRiS. Upon the partner’s separation from employment with Schreiber, they will be fully liable for all Child Care payments.

Schreiber Partners with TOOTRiS to Manage the Child Care Assistance Program

TOOTRiS is a service that helps eligible Schreiber partners locate Child Care, process subsidized Child Care enrollment fees and Child Care payments. There are three (3) types of providers within the TOOTRiS’ network:

- Licensed Child Care Providers: Active in-home or center-based providers that are licensed by the state to offer care to children. Qualifying Child Care schedules are full-time, part time and drop-in care.
- Dedicated TOOTRiS Providers: Single family providers that support your child(ren) only at their home or at yours.
- Before/After School Providers: License-exempt programs that only support school-aged children, including winter/summer camps.

This Program is for Child Care and Before/Afterschool care assistance, and not to be used for full-time school aged tuition or private schooling.

To create your TOOTRiS account, register at tootris.com/schreiber-foods. Once you have created your account, you can search for and identify the right provider for you and your family. If you are using, or want to use, a provider that is not part of the TOOTRiS network, you may submit the request to schreiberfoods@tootris.com or call (866) 341-6363. These requests are reviewed on a case-by-case basis with no guarantee that your provider will be qualified or accepted as part of the TOOTRiS’ provider network. Upon enrollment, should you qualify and have an available assistance balance, that portion will be automatically removed at the time of billing. If part, or all, of your assistance has been exhausted, you will be responsible for all remaining Child Care payments.

If you leave Schreiber as a partner, or your dependent(s) age goes beyond the limits set within this Program, you become ineligible but may convert your Schreiber-provided TOOTRiS account to an individual membership for a fee. You will preserve your existing enrollment(s) but lose the Schreiber assistance.

INTRODUCTION & ELIGIBILITY

1. What does TOOTRIS do?
 - a. TOOTRIS offers two services through their platform:
 - i. Parents can utilize TOOTRIS to find and secure childcare around the clock based on their real-time location, scheduling, and budgetary requirements.
 - ii. TOOTRIS can administer an employer subsidy towards your annual childcare expenses.
2. What is employer-sponsored Child Care?
 - a. Employer-sponsored Child Care is when a business provides help, resources, and financial assistance (optionally) to their partners to assist in locating and paying for Child Care.
3. What type of care providers does TOOTRIS offer?
 - a. Full time and part time Child Care via in-home and center-based providers, before/after school, summer camps and more.
4. How does TOOTRIS help secure Child Care for Schreiber partners?
 - a. TOOTRIS partners with quality providers to support priority enrollment for employer-sponsored programs.
5. Who is eligible to utilize TOOTRIS?

 - b. Childcare Subsidy: The TOOTRIS subsidy is available to non-union partners who earn an annual base salary less than \$100,000 or who earn less than \$48.08 per hour and who enroll a verified dependent aged 12 or younger in the TOOTRIS plan in Workday.
6. What is needed to utilize this benefit?
 - a. Partners must enroll in the benefit during open enrollment to access the contribution benefit. They must have a verified, eligible dependent child aged 12 or younger enrolled in TOOTRIS in Workday. Ongoing enrollments allowed for new hires or due to qualified life events, like birth or marriage.
 - b. Partners are required to have a valid email address in Workday and a computer with the latest Google Chrome or Microsoft Edge browser with internet connection. 9. What happens when my child turns 13 and is no longer eligible?
 - a. If a partner has no other children enrolled in the TOOTRIS benefit in Workday, the partner will lose access to the contribution benefit effective the child's 13th birthday. The partner will continue to have access to the care finder feature.

 - a. No, all payments must be processed through the TOOTRiS portal. TOOTRiS automatically tracks the balances of the employer subsidy to the penny, debiting only what is not covered by the employer. This simplifies the process, so partners do not need to figure out what is owed every time a payment is made on their behalf from the employer.

 - a. Of course. When your enrollment is in TOOTRiS, you can still apply your 3rd party subsidies in addition to the Schreiber employer-sponsored program.
